The Unyielding Spirit: Abrar's Journey from Adversity to Achievement"

In the heart of Chishtian, amidst the struggles of poverty and the aspirations of youth, lived a determined young soul named Abrar. Born into a family burdened by financial hardship, Abrar's journey through education was fraught with challenges. Yet, his unwavering determination and passion for learning illuminated his path, guiding him towards a future filled with promise.

Abrar's educational odyssey began at LAB Middle School, a modest institution nestled within the community. Despite the limited resources and opportunities, Abrar embraced his studies with fervor, excelling academically under the guidance of dedicated teachers. However, as he progressed to higher classes,

the absence of a Higher section at Lab School QAED Chishtian compelled him to seek education elsewhere.

Abrar's journey from humble beginnings to becoming a martial arts champion and inspirational coach is a testament to the power of perseverance and determination. Despite facing financial hardships and limited opportunities, Abrar's passion for learning and martial arts never wavered. With the support of mentors like Saleem Akhi and Mrs. Rukhsana Kousar, Abrar not only achieved remarkable success in sports but also pursued higher education. Today, he pays forward the support he received by coaching and inspiring the next generation, embodying the spirit of resilience and hope.

Dr. Muhammad Arshad Javed, a bright student at Govt. Higher Secondary Lab School QAED Chishtian, has evolved into a distinguished PhD physics associate professor at the Islamia University Bahawalpur (IUB). His remarkable journey from QAED Chishtian to academia stands as a testament to the institute's commitment to nurturing excellence and shaping accomplished professionals.

Mr. Ali Raza Ayoub, a former student of QAED Chishtian, has embarked on an academic journey pursuing a Ph.D. in China. His dedication and pursuit of knowledge showcase the caliber of students nurtured at QAED Chishtian, contributing to the institute's legacy of producing scholars with a global impact.

"As the Principal of QAED Chishtian, I am proud to share our institution's journey. Situated in the heart of Tehsil Chishtian, under the esteemed legacy of QAED Lahore, we play a distinctive role in refining and introducing innovative pedagogical techniques. Established in 1951 as a normal school, we have undergone various stages of transformation, evolving from an elementary college into QAED, symbolizing our journey towards educational excellence. As the Principal of QAED, I am committed to supporting our educators and students in their pursuit of excellence." Together, let us continue to innovate, collaborate, and inspire, ensuring a brighter future for education in our communities."
