ORDER

No. QAED/CCI/01-01/23/: The Initial Research Review Committees (IRRCs) have reviewed the received Research Proposals duly submit by researchers. The concerned IRRCs, after review, have submitted approved research proposals with minor/major observations and recommendations. The same has been conveyed to the concerned researchers. However, "not approved" status of research proposals has been emailed to the concerned researcher independently. Researchers of approved research proposals are further advised to do the needful as per reports duly submitted by the IRRCs and observe the time for submission of "Revised Article/Papers".
