DIGITALLY  
TRANSFORMING  
EDUCATION

Quaid-e-Azam Academy for Educational Development (QAED), under the School Education department, Government of Punjab, is a premier ISO certified teacher training institution that takes the lead in implementing the Single National Curriculum for Primary to Higher secondary schools. Backed by the Government, the Pakistan-based organization empowers 368,000 private and public teachers with future skills, preparing them for the new framework via Microsoft Teams.
